**OUR LADY OF LOURDES SMALL FAITH GROUP** invites you to join our living rosary to pray for the needs of the parish and the community this summer with the following in mind:

1. We pray that our faith will lead us to trusting God in our painful and difficult times. As the ever-changing public policies, the pandemic, the natural disasters, destructions of wars and conflicts keep demanding us to redefine our worldview and testing our tolerance of change and uncertainties, we may imitate how Jesus held the tension of opposites. Jesus lived through life, death, and resurrection and he is our Prince of Peace.
2. Pope Francis' monthly intention – Elderly (July) and Small Businesses (August).
3. The sick and their caregivers.
4. The living and deceased members of our parish.
5. The special intentions for the members of our parish.

By volunteering, you will be responsible to say one decade of the mysteries of the Rosary every day for the coming month(s). If you are interested or would like more information, please sign up here

#### **Gospel Reading**

*Luke 10:1-12,17-20*

Jesus sends out 72 people to announce the coming kingdom.

#### **Background on the Gospel Reading**

Today's Gospel begins immediately after the final verse in last Sunday's Gospel. After strong language about the difficulties of discipleship, Jesus immediately appoints 72 people to go ahead of him to every town and place he plans to visit, proclaiming that the Kingdom of God is at hand. He sends them in pairs. In the Law of Moses two witnesses were needed for a testimony to be credible. It was probably also a safer way to travel.

Jesus admits it will be difficult, that he is sending them out like lambs among wolves. Yet they are to bring nothing with them, not even a money bag or sandals. They are to greet no one on the way so as not to be distracted from their mission. When they enter a house, their message is simply "peace." The response they will receive may be positive or negative. Either way, they are to know that the Kingdom of God is at hand. They are not to demand special treatment but eat and drink whatever is given them. They are to stay in one house and are not to look around for one that provides better accommodations. They are to heal the sick as a sign that the Kingdom of God is at hand for them. Like Jesus' miracles, healing is a sign of the coming of the kingdom. If the town will not receive them, they are to shake the dust from their feet and move on. Even in the case of such rejection they should know that the Kingdom of God is at hand.

When they return from their journeys, they are rejoicing because their mission has been successful. Demons were under their power because of Jesus' name. Jesus may have sent them out as lambs among wolves, but at the conclusion of this passage he assures them that they have been given power over the enemy and nothing will harm them, not even serpents and scorpions.

A key theme of today's Gospel and last Sunday's Gospel is discipleship—its challenges, its difficulties, and its rewards. Sharing in the mission of Jesus is difficult, but everyone is called to do it, not just some professionals trained for ministry. Even for us today, the harvest is plentiful. We should pray to the master of the harvest to send out workers for his harvest.
